

Ruby Sylvester Jeyes and Lily Watson

# Global Citizenship

Year 12 students Lily Watson and Ruby Sylvester Jeyes will have the amazing opportunity of attending the fifty-ninth session of the Commission on the Status of Women (CSW) at the United Nations Headquarters in New York in March 2015. They will have the opportunity to meet other students from all regions of the world attending the conference.

CSW was established in June 1946 and is the principal global intergovernmental body exclusively dedicated to the promotion of gender equality and the empowerment of women.

The conference will address current challenges that affect achieving their aims at national, regional and global levels.

Meanwhile, Ruby and Lily are establishing a Global Citizenship Young Co-operative at KEVICC for students in all years. They hope to raise awareness of global and environmental issues and conflicts, such as the current situation in Syria, by bringing in speakers to sessions in the College. They also intend to fund raise so they can make trips, where possible, to inform their understanding of problems facing the world. They believe that helping other students to a greater understanding of current affairs will enhance each of them as global citizens.
