

What does it take ...

... to put on a show?!

It takes an enormous amount of hard work and dedication to achieve the result – a spectacular performance of *Matilda* – that KEVICC put on in February.

We had over 300 primary school children in over two afternoons, and then public performances that soon were not only sold out but had people clamouring for tickets!

Months of rehearsals; set design; tech wizardry; costume creation (thank you, Totnes charity shops!); music practice all played their part.

Thank you for an incredible show! It was absolutely stunning and everyone involved should be so proud. It was like going to the West End - professional, slick and highly entertaining. Not only were the performers brilliant, but all the hard work that went into the show from set designers, musicians, lighting and back stage crew made it really high quality. The children thought it was 'brilliant', 'amazing' and 'fantastic'.
