

Activities Week is an important part of the College calendar with students in years 7, 8 and 9 taking part, whilst year 10 students are out on work experience placements. Our students have the opportunity to do something different and to meet new people; to build new skills or to develop existing ones, while having fun!

activities week

Aeromodelling

It's a very hard plane to make and it may have to be my summer project.

Ready, Steady, Cook

Plymouth Argyle Football

I'm enjoying the experience of good coaches and improving my skills.

Dynamic Adventures

I'm really looking forward to getting into the water on canoes and rafts, but most of all to falling in the water!

Puppet Making

and more fun! . . . Animation; a drama trip to London; surfing at Bigbury; arts and photography at Sharpham; walking the green lanes; Paignton Zoo; orienteering; mountain biking and pony trekking; 3D CAD design and print; textiles; mural painting; cake making; jewellery making

KING EDWARD VI COMMUNITY COLLEGE
