Safeguarding includes child protection, health care plans, health and safety, site security, safety on school trips, anti-bullying work and so much more! If you have any concerns, we will take them seriously. If you feel that you or a young person is at risk, or is the subject of abuse, you should contact a member of the Safeguarding Team.

Our school is part of Operation Encompass. This is a police and education early intervention safeguarding partnership, which supports children and young people who experience Domestic Abuse.
