

Open Mornings

For Students in Year 4 & 5

Wednesday 18, Thursday 19 & Friday 20 June
9.15 to 10.45

For Parents

Your time will be spent touring the College

This will give you an opportunity to ask questions of teachers, staff and students. You will see the College on a typical day and get to know how it will feel for your child to be part of KEVICC.

For Students

Students will have the option of taking part in a workshop

Children will work with teachers and KEVICC students in a printmaking workshop. This workshop will provide an introduction to the different printing techniques used by Art Students at KEVICC to make outstanding work.

The first Year is the best!

We have been catching up with some of our Year 8s to ask them to reflect on their first year at KEVICC.

Kali Davis
Year 7

I went to Roselands Primary School in Paignton, and KEVICC was my first choice of secondary school to come to.

I came to look around and really liked it. It had a warm feeling and everyone seemed to be enjoying themselves.

The first day was a bit scary, and everyone seemed so tall, but we did lots of activities that meant we knew where we were going.

I only came with one other person from Roselands, but I came to the Summer School at KEVICC for the Arts Week, so I knew some people from there.

And I met some Y5s who may come here in September. I love Art and Design and Technology so I really enjoyed the puppet and mask making days.

The most surprising thing at KEVICC is that I was in the bottom set for Maths at Roselands, but I'm in the top set at KEVICC. I don't know if I like Maths, but I seem to be good at it!

I've really enjoyed Challenge Pathways. I was able to choose the art option and we had a great time making props for a show before Christmas. We went on a trip to see Lion King too which was a very good, fun trip.

My top tips for your first year at KEVICC are:

1. Be confident. I'm not very but it helps if you can try to be
2. Make as many friends as you can
3. Join in - it helps to get to know people and KEVICC is a school that helps you to feel at home.

"Excited, pleased and nervous are three words I would use to describe my feelings before coming to KEVICC. Everybody made me feel welcome on the Induction Day so I didn't feel nervous anymore."

Year 7 student
