Full price tickets £9 and £7/some concessions available  
Phone 01803 869200 or visit the KEVICC website

## Matilda

You may just be in time to get tickets for our College Show, *Matilda*, when you read this.

There will be performances at 7pm from Tuesday 31 January until Saturday 4 February, with an additional Saturday matinée at 2.30pm. Phone 01803 869200 (Reception) to enquire about tickets.

Students from all years are taking part, both on stage; in the band; behind the scenes and making set. Some are taking on responsible roles in supporting the Show with expert musical direction and technical support.

Each year, our Show brings together many departments across the College, and staff come to see students they teach in an entirely different light. Come & join us!

## Art in the town

KEVICC has real success in its vibrant art, design & technology and fabric technology departments, and all three came together to give the town a chance to see their work in their recent annual exhibition at Birdwood House.

As always, the visitors' book reflected how impressed all who spent time at Birdwood were with the work, which will undoubtedly be reflected in exam results later in the year.

## Art exhibitions in our Gallery

Our Ariel Centre Gallery has a programme of exhibitions throughout the College year that we welcome the public to visit. Most recently, we were privileged to host a travelling exhibition *From Syria with Love* which has toured more than fifteen different cities around the UK. The exhibition comprised of artwork by Syrian children from refugee camps, and was most moving.

Art is one of the things children can enjoy their time practising and so the charity always try to do interactive workshops where they enable children living in the camps to express their feelings and emotions. This helps to take out the rage, trauma and depression in their heads. The drawings they usually get are a mixture of shock, drama, sadness, hope and powerful. A presentation about the conflict was given by Bara Kouja, both to College students and to the public, talking about Syria before, during and after the crisis.

Since *From Syria With Love* started raising awareness about the Syrian plight and the global humanitarian crisis, they have spoke to more than 4000 people, including communities, schools & colleges and at other big events.

COMING IN MARCH: we have an exhibition entitled **DartLife**.

The River Dart is a thread running through an exhibition of paintings, prints and ceramics by eight artists from the South Hams. Tuesday 14 – Thursday 30 March

## Year 9 consider their options and year 11 their careers

Last week year 9s and 11s spent an evening with visiting professionals and KEVICC staff, all ready to help them make decisions about their futures. Together with further education and trade stands in our *Preparing to Succeed* Careers area, we had representatives from the National Citizenship Scheme, and the School & College Liason Officer from Downing College, Cambridge, who spoke to students and their parents/carers at length.
