

## Torquay United

We have been very lucky at the college this year to have Torquay United Football Club offering free coaching to all girls within the college. The club send three of their expert coaches down every Monday from 3.30-4.30 on the astro and provide coaching, competitions and even free tickets to first team games. The club is open to all ages and abilities and its aim is to encourage more girls to play football. We have regularly had over 20 girls attending each week with three of them now being invited to train with the Torquay United Ladies Team. Before Christmas four of the Torquay united first team came in to help the training session and the students loved being able to play against them and ask them what it was like to play football professionally. The students are also regularly given free tickets to games and Jamie and his team of coaches will continue to offer this fantastic opportunity for the rest of the school year. If you are interested in coming please see Mrs Wright or meet at the astro on a Monday at 3.30 with Football Kit.
