

ACCOUNTANCY APPRENTICESHIP EVENING

INTERESTED IN ACCOUNTANCY, BUT NOT SURE WHAT IT IS ALL ABOUT?

Our apprenticeship evening is where you can gather information and gain insight in to what it takes to be an accountant. You'll hear from some of our qualified professionals who will explain what we do and who we are.

You'll also hear from some of our current trainees - listen to why they chose to start an accountancy apprenticeship with us and how you can too. Bring your parents/guardians along - everyone is welcome.

Pizza and drinks will be provided, please let us know if you have any dietary requirements when you book your place(s).

This event is aimed at Year 12 and Year 13 students and their parents/guardians.
