

11 September 2019

Dear Parents/Carers

The College will be closing early – at 1.35pm - on 24th September 2019 in order to get Open Evening preparations underway. Arrangements have been put in place with Devon County Council School Transport for the private contracts they operate and they will collect from the college at the earlier time.

Private routes not operating an earlier service on that day are:

TNS026 – KEVICC to Diptford-Ashburton-Buckfastleigh (Ivy Cabs Ltd)

TNS004 – KEVICC to Moreleigh-Diptford (Alansway Taxis)

TNS038 – KEVICC to Dean Prior/Blakemore Farm (AlanswayTaxis)

We will contact parents/carers of these routes separately with further information.

If your young person uses any of the public transport routes to get to and from college, please ensure you check the operators' timetables and bus stop locations, **as there will be no public buses collecting from KEVICC on that day;** these routes include Country Bus 165, Gold Bus 88, 164 and X64.

The 110 route will not be operating an earlier schedule on that day, so please ensure you make alternative arrangements as there is no facility for students to remain in College after 1.35pm.

Kind regards

Alan Salt
Principal
