

explore . . . discover . . . achieve

Alan Salt Principal

**KING EDWARD VI
COMMUNITY COLLEGE**

Dear Parent or Carer,

Whilst our usual parent voice meeting is cancelled tonight, we are running an online meeting via google meets.

This will be a chance to put questions to myself about any aspect of the new situation we find ourselves in, and an important chance for us to get feedback from parents and carers.

The code for the meeting is below. The meeting will begin at 5pm and we will finish at 6pm. You will need a google account to access the meeting, and you can use webcam and microphone or you can just listen in.

To join the video meeting (at 5pm), click this link: <https://meet.google.com/xen-xigt-xor> (or copy and paste into your browser).

Look forward to hearing from you later,

Alan Salt
Principal
