

English Language and Literature GCSE

AQA Syllabus

Autumn 2: A Christmas Carol by Charles Dickens

Ideally students will have their own copy of the text.

This scheme takes students through the novella chronologically. An overview of the story is useful from the outset so if students are not familiar with the story, it would be good to watch the Jim Carey animated film at half term.

There are frequent opportunities for analysis with modelled answers and scaffolded frames to help students prepare for the GCSE question format.

In Week 6 of the half term, students will sit a past question mock to be marked by their class teacher.

Revision will be through *Educake*.

Additional revision can be accessed through BBC Bitesize:
