Dear Parent and Carer,

COVID-19 Immunisation: Postponed

Please see the below message we have received this morning from the SAIT regarding the COVID-19 immunisations planned for tomorrow.

Please be reassured we will remain in close contact with the SAIT and will let you know as soon as possible when we have a rearranged date.

Please also note the flu immunisations for those taking up the offer will happen as planned tomorrow.

Should you have any questions regarding either of these immunisation programmes, please contact the SAIT directly on the number below.

Yours faithfully,

Alan Salt
Principal

Dear parent/guardians,

We are very sorry, but as we are rolling out this new programme of immunisations alongside the Flu programme, we are having to adjust the way we deliver, while always prioritising the safety of the children we are working with.

To ensure the session is run safely with appropriate staffing we are having to postpone your school's session for Covid vaccinations due on **Wednesday 6th October**.

The flu vaccinations will be going ahead as planned on this date.

We will be in contact via the school as soon as this session is rearranged.

Many apologies for the short notice and any inconvenience.

Kind regards,

Immunisations Team
