Dear Parent or Carer,

Survey Links and Invitation to Q and A

I hope this finds you well and that you enjoyed a good half term break.

1 Parent and Carer Survey

We know that understanding our College's strengths and areas for development is vital. We are very mindful that our vision for the College as "a comprehensive College, inclusive, kind and committed to the best" can only be achieved if we have a clear picture of how people feel we are doing.

In line with all other schools in the Trust, this year we will be carrying out regular surveys of parents and carers alongside staff and student voice work, to inform our improvement planning.

The **first parent and carer survey link** can be found here:

<https://forms.office.com/r/52s6B8pt5w>

This survey is designed to be quick and easy for you to complete. If you have a few minutes to complete a response, it would be greatly appreciated. The survey will remain open until the end of next week, closing at 6pm on Friday 18 November.

2 Next Online Q and A

In addition to this, we are continuing our usual informal online Q and A sessions for parents and carers, and the next one is booked for this coming **Monday 14 November starting at 6pm and finishing at 7pm**.

You can use the link below to access this meeting:

Lucie Wagner, our Deputy Principal, and I will be present to answer your questions. Lucie is also seeking to engage a group of parents and carers to be a Parent Focus Group. This will help us on our journey to be a Rights Respecting School under the United Nations UNCRC framework. Lucie will give more information at the Q and A, and of course, we encourage and anticipate your questions and feedback on all aspects of College life.

Thank you for taking the time to engage with the survey, and we look forward to listening and discussing with you at the Q and A.

With best wishes,

Yours faithfully,
