KING EDWARD **VI** COMMUNITY COLLEGE

June 2023

Dear Parent/Carer

Ref: Year 10 Academic Tutoring Evening – S10b - Wednesday 7th June 2023

Unfortunately, due to staff unavailability, the year 10 meet the tutor evening for your child was not able to take place as planned in May. We recognise the importance of strong parent and tutor relationships and want to ensure parents/carers have the opportunity to meet with and discuss, any concerns before the end of the academic year. In order to provide this opportunity, we have arranged for a secondary evening for you to meet with you child's tutor on **Thursday 29th of June 2023 from 4:00 pm - 7:00 pm.**

You are invited to make appointments for the school's next Academic Tutoring Evening. Meetings with parents/carers this year will be **held online by video meetings** rather than in-person at the college.

To make your booking, please follow the guidance below:

Parents can login into https://kingedwardvicommunitycollege.schoolcloud.co.uk/ using their personal and child details.

This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments.

The system is now **LIVE** and will be open to take your bookings from today until **Thursday 29th June 2023 at 3:30 pm**.

Once you have logged in, you will be asked to make an appointment with your child's tutor. The available times will be displayed.

Support and Guidance
On the website, we have built a page for the online booking system. On this page, we have put a link to the booking website, step by step instructions, and video tutorials.

 Troubleshooting Tips

- To login you need to enter the details we have on record for you and your child. If you have recently changed your title or surname for example, it will not have been changed on our system unless we have been informed.

- The email address you enter is only used to receive a confirmation of your appointment. If the system gives you an error when you login, it will not be the email address that is the problem.

- **Any teacher who is not listed on the booking system is not available for this academic tutoring evening**. This may be because of staff illness or unavailability on this date.
  Please email the member of staff for individual feedback on your child's progress and induction.
