Your Child's Next Big Step: A Summer of Confidence, Fun & New Friendships!

Dear Parent/Carer,

Starting secondary school is a big step. It's an exciting time, but it can also feel overwhelming. As a parent, you want your child to **feel confident, make new friends**, and start Year 7 **ready to thrive**. But how do you make sure they get the best start? That's where **The Big Step** comes in.

We've helped over **7000 children** across the Southwest transition into secondary school, and we've seen the difference it makes. Our Summer Transition Programme at **King Edward VI Community College** is designed to give your child the best start possible, helping them feel at home in their new school before September even begins.

Delivered by teachers, our programme is **fully inclusive** and designed to meet the needs and abilities of all children. Whether your child feels confident about starting secondary school, a little nervous, or anywhere in between, our activities ensure that every child can take part, feel valued, and develop key skills to help them transition smoothly into Year 7.

What's in Store for Your Child?

- Crack codes in **immersive escape rooms**
- Solve exciting **CSI investigations**
- Dodge, dive & **compete in glow-in-the-dark dodgeball**
- Try out archery, **crazy golf & scavenger hunts**
- Boost confidence with **martial arts & cooking**
- Unleash creativity in **drama workshops**
- **And much, much more!**

Every activity is designed to help your child **build confidence, develop independence**, and **form new friendships**, so they start secondary school feeling **excited and ready**, rather than nervous and uncertain.
