

Welcome to KEVICC!

And welcome to the KEVICC Parents Association at the start of this new and exciting phase of your child's education. Everyone with a child at KEVICC is automatically a member of the Parents Association, and this letter is to tell you a little bit about it and invite you to keep in touch and get involved.

What does the PA do?

Last year the PA was delighted to support a number of KEVICC initiatives and projects. From theatre performances to science equipment, sports kit to foreign language film trips, additional library books to orienteering equipment, parkour clubs to a 'peace garden' outdoor space. PA funding has mainly been for non-core-curriculum items that will benefit as many students as possible.
